

COVID-19 Update from Hampshire Sheriff Patrick J. Cahillane

May 1st, 2020

Gratitude

As of 3 pm on May 1st, there are no cases of COVID-19 inside the Hampshire County Jail and House of Correction.

To recap our Covid-19 numbers since April 10th:

| | |
|------------------------------------|-----------------------------|
| Inmates who have tested positive: | 20 |
| Inmates recovered as of 4.30.20: | 20 |
| Inmates symptomatic as of 4.30.20: | 0 |
| Staff who have tested positive: | 4 (staff tests are ongoing) |

So far our staff have worked tirelessly to prevent the spread of Covid-19, and we will continue to do our jobs to keep all of Hampshire County safe.

For all of our friends in the community, for all our essential frontline workers, for all of our staff, for all of our inmates, for everyone who is rising to this challenge by staying home, please accept this bouquet of flowers that bloomed on our campus after last week's rain.

We are forever grateful, and we remain forever vigilant.

Patrick J. Cahillane
