

COVID-19 Update from Hampshire Sheriff Patrick J. Cahillane

October 30th, 2020

“No Shave November”

As of 2 pm on Friday, October 30th, there are no cases of Covid-19 inside the Hampshire County Jail and House of Correction.

Again this year, HSO staff will be participating in “No Shave November,” an event to raise money for cancer research.

Participating in this event will have no impact on our vigilance against the coronavirus.

Thanks to our partnership with Carla Cosenzi’s TommyCar Auto Group, and the support of the vast majority of HSO staff, we were able to raise \$5,400 last year for the Dana-Farber Cancer Institute.

Carla is excited to join us again for this great cause and has committed to matching our total contribution this year as well.

So while our appearance will change over this next month, rest assured that our commitment to the men in our care, and the people of Hampshire County, is as steadfast as ever.

Have a safe Halloween, don't forget to turn your clocks back on Sunday, and, if you haven't done so already, please vote!

Thank you.

Patrick J. Cahillane

Sheriff, Hampshire County
